

## Uniview Technologies

We are the pioneer and leader of IP video surveillance. Heritages profound IT technologies, was founded independently in December, 2011. We are the 3rd largest in the overall video surveillance market in China and 4th in the global market. We insist on open cooperation, focusing on high quality and improving innovative ability.

### Product Line:

Network Cameras, NVR's, IP Camera Testers, Monitors, all-in-one VMS Servers, IP SAN's, and PoE Switches

## WHY CHOOSE UNV PRODUCTS?

- World's Leading Surveillance Solution Provider
- Local Inventory, Local Support
- Less than 1% RMA Rate
- No Online Pricing for public
- Made Specially for Canadian Weather
- Easy to use, Scalable & Flexible Products
- Mobile & Computer softwares for live view.
- Works perfectly with major VMS Softwares.
- Essential, Advance & Pro series of products for different use cases.

## Essential Series: Entry Level Products, Suitable for Residence / Small Business
